Pwy ydym ni

Rydym yn ddatblygwr ynni adnewyddadwy sydd â'n pencadlys yng Nghymru, ar daith i ddatgarboneiddio ein system ynni i greu cenedl gyfoethocach, iachach nawr ac ar gyfer cenedlaethau'r dyfodol.

Ein pobl yw ein hased mwyaf gwerthfawr ac rydym yn falch ein bod wedi denu carfan angerddol a thalentog o staff sy'n ymroddedig i'w gwaith ac yn cynnig sgiliau trosglwyddadwy ehangach. Maen nhw'n dod ag arbenigedd mewn cynllunio, adeiladu, rheoli prosiect, addysg, symudedd cymdeithasol, peirianeg a chyfnodau gweithredol parciau ynni ar draws y DU.

Rydym yn berchen yn breifat, er lles y cyhoedd.

Ein cenhadaeth

Rydym yn chwarae ein rhan i adeiladu diogelwch ynni y DU, dod ag aer glanach, creu swyddi a pharatoi cenedlaethau'r dyfodol ar gyfer gwaith yn yr economi werdd. Byddwn yn cefnogi cyflenwyr lleol, yn darparu gwerth cymdeithasol o'r radd flaenaf i'r diwydiant ac yn buddsoddi'n bwrpasol mewn prosiectau cymunedol ac achosion sy'n bwysig i bobl leol.

Who we are

We're a renewable energy developer headquartered in Wales, on a mission to decarbonise our energy system to create a wealthier, healthier nation now and for future generations.

Our people are our most valuable asset and we're proud to have attracted a passionate and talented pool of staff who are dedicated to their work and offer wider, transferable skills. They bring expertise in planning, construction, project management, education, social mobility, engineering and operational phases of energy parks across the UK.

We're privately owned, for public good.

Our mission

We're playing our part to build the UK's energy security, bring cleaner air, create jobs and prepare future generations for work in the green economy. We'll support local suppliers, deliver industry leading social value and invest purposefully into community projects and causes that matter to local people.
