

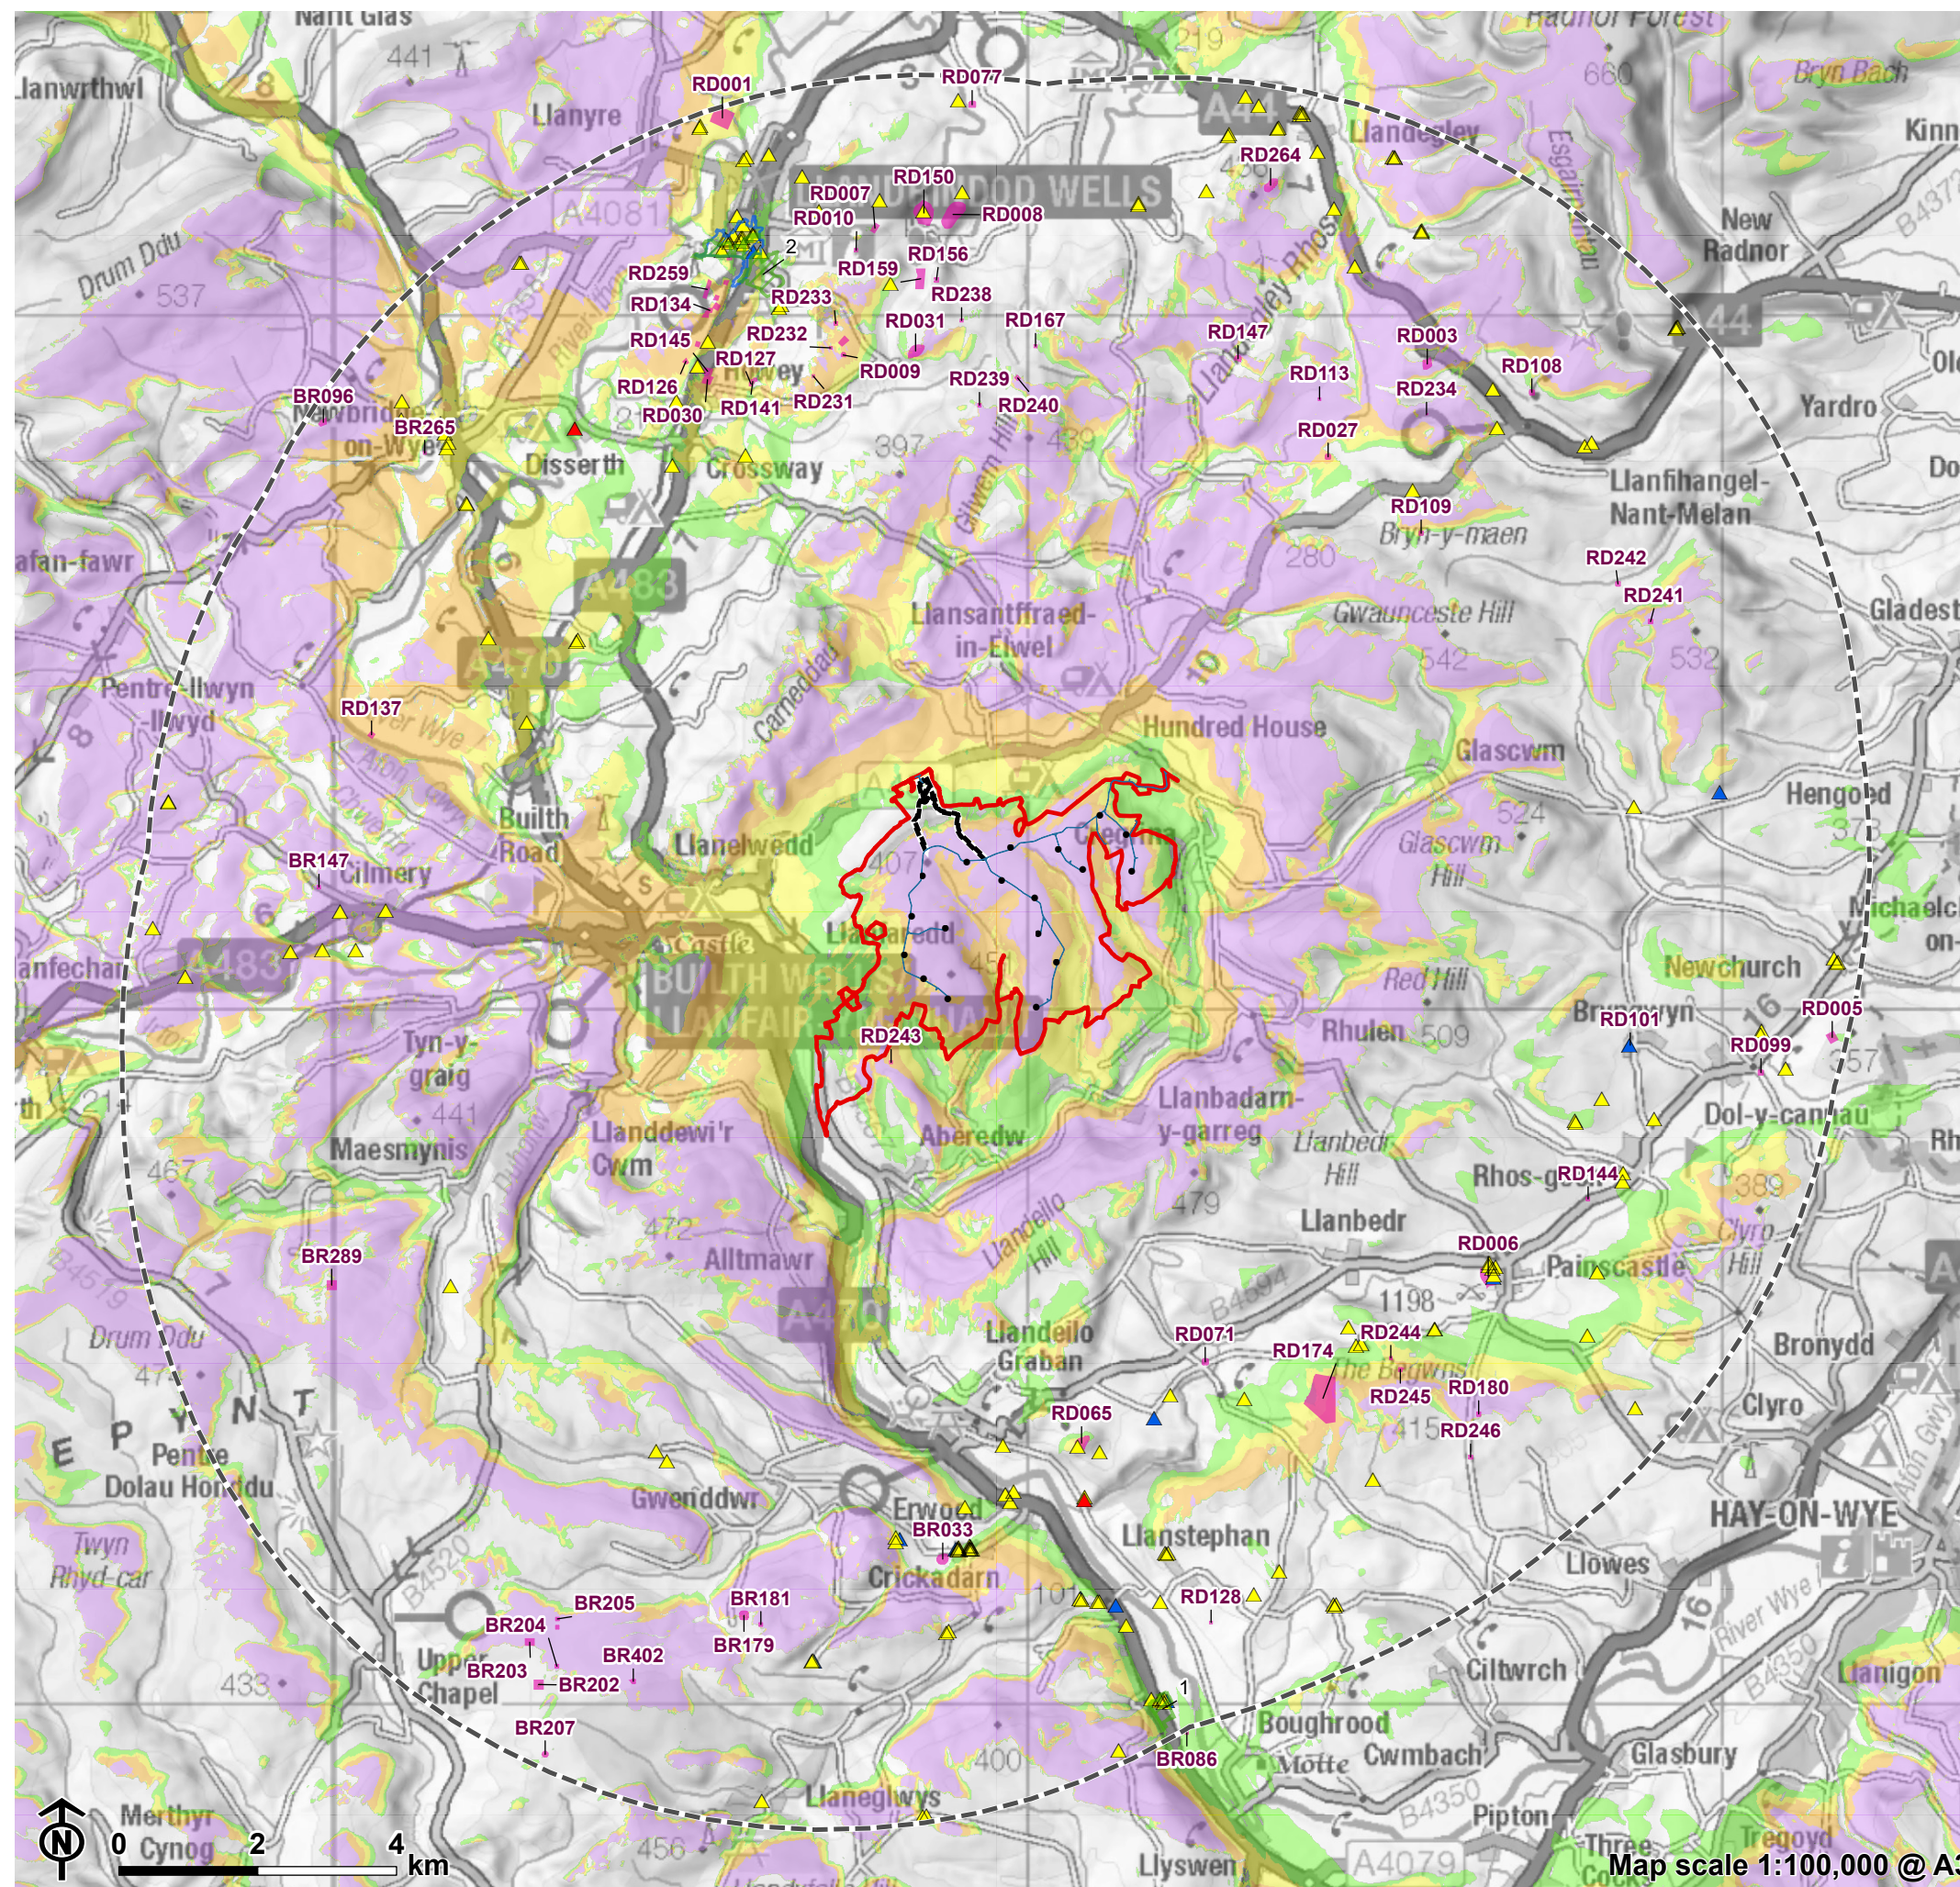

Figure 6.3: Location of Historic Assets within the Wider Study Area

- Application boundary
- Wider study area
- Turbine
- Track
- Cable Route Installation Zone
- Grade I listed building
- Grade II listed building
- Grade II* listed building
- Scheduled monument
- Llandrindod Wells Conservation Area
- Registered Historic Parks and Gardens
- 1: Llangoad Hall
- 2: Llandrindod Wells Public Parks

Background ZTV to Tip Height (200m)

1-5 Turbines visible

6-10 Turbines visible

11-15 Turbines visible

17 - 18 Turbines visible

Notes
The ZTV is calculated to turbine tip height (200m) from a viewing height of 2m above ground level. The terrain model assumes bare ground and is derived from 1m LiDAR height data (obtained from the Welsh Government and Environment Agency in September 2024). Earth curvature and atmospheric refraction have been taken into account. The ZTV was calculated using ArcGIS Pro 3.4.0 software.

Specific assets and HER entries referred to in the report text are labelled with their name or reference number.
